

### **Message from deputy head teacher**

At Maadili Schools, we are always striving for excellence and to ensure we are delivering the best possible education and life experiences to the children as our motto goes “We are all stars”.

In-order to continue to grow as a school, we constantly evaluate and reflect upon all the work we do in school.

### **Message from head teacher**

With great delight, I welcome you to Maadili Schools, known as *The Home of Stars*. Choosing the right school for your child is an important and challenging decision. At Maadili, we believe every child has immense potential and an unquenchable thirst for knowledge. Our approach emphasizes academic excellence, talent development, and character formation through diverse programs, such as clubs and performing arts, which nurture confidence and self-assurance. As a Christian, value-based institution, we are committed to instilling Christian values through daily devotions and Bible teaching. Our nurturing environment fosters strong relationships between students and staff, encouraging learners to become confident, critical thinkers. Our goal is to help students leave with both excellent academic results and a solid foundation of values, ready to face life's challenges. I pray each learner finds a home here and fully utilizes the opportunities to grow and achieve their potential. Welcome to Maadili Schools—where every child can become a star!

My name is Catherine Wanjiku, I am the President of Maadili schools. I joined Maadil schools in the year 2014, the school has been a great school and has been getting on better everyday. The school has well organized staff and teachers who have mutual respect for all learners. The school teachers also practise fairness and equality among all learners

**Message from school president year 2024**

Maadili schools also engages in co-curricular activities which has helped the pupils to identify and sharpen their talents including among others Music where the school has a number of instruments for example piano, the recorder and much more, the school also has ballet and taekwondo and chess which often they go for tournament that gives the school a head start.

We also have the best E-learning equipment's for computer learning, The school also has other extracurricular activities like French and abacus. We also have Islamic religion in the school for Muslim

*MAADILI SCHHOLS,*  
we are all stars

**Sports prefect year 2024**

**Hello! My name is Shantel Muikari Kamau, and I'm the Sports Captain of Maadili Junior School.**

I joined Maadili in 2014 when I was just two years old, so I've been here for nearly a decade. Maadili has been my first and only school, and I truly believe it's one of the best schools ever!

At Maadili, we value peace, hard work, and a love for sports. Our teachers encourage us to work hard in our studies, and there's always support when we need it. The friendly environment here helps everyone grow, not just academically but also as caring and responsible people.

As Sports Captain, I love seeing how sports brings us together and teaches us teamwork. Whether it's on the field or in the classroom, Maadili is all about giving your best, having fun, and making lasting friendships.

If you're looking for a school that's both educational and full of love and support, Maadili Junior School is the perfect place.

Thank you!

**Deputy school president kantai year 2024**

I first arrived in Maadili in the year 2021. I was expecting just any other school but I was wrong. It was more than just a school. It was a community. The teachers at the school are genuinely concerned about the students' academics. They follow-through with their lessons and are there to help them whenever they need it. They put the right kind of pressure on the students. Pressure that builds rather than breaks. This peace of mind significantly boosts the students' performance. Not to mention the friendly non-teaching staff. Overall, the school is amazing and builds both the mind and character.
